Terms and Conditions

1. The individual signing this contract is the owner of the property (properties) where the material(s) and/or labor will be supplied and/or performed or, if not the owner, his authorized agent.
2. Unless otherwise specified, a deposit must accompany this order and the balance of the sales price must be paid in full upon completion of work. In the event that this contract includes installation or replacement parts, the parties agree that title to such property shall not pass to the customer until the total sales price is paid in full or otherwise agreed to in writing by Company.
3. In the event the customer claims exemption from Sales Tax and submits documents on prescribed forms in support of such exemption which is relied upon by Company, and such claim is subsequently disallowed by the Taxing Authority, customer will remit the full amount of unpaid Sales Tax within ten days of receipt of such notice from Company.
4. Unless otherwise specified and agreed to, payment of the total amount, as shown is due Company, upon delivery and/or installation of items listed. A FINANCE CHARGE shall be imposed on all balances not paid within terms days at the rate of 1-1/4% per month amounting to an annual percentage collection including reasonable attorney's fees shall be added to the total amount and the FINANCE CHARGE due hereon.
5. Company hereby retains a security interest in the items listed, which security interest shall not be released until receipt of payment of the total amount, as shown, including any applicable FINANCE CHARGES.
6. Company, reserves the right to itself, its agents, servants or employees, to enter upon the premises to take possession or repossess any or all of the items to be purchased hereunder, with or without notice, upon failure of the customer to pay the total amount shown, when due, or defaulting in any of the terms and conditions set forth herein, in addition to any rights or remedies as the seller may have at law or in equity. Any damage suffered by the customer as a result of or in the course of the exercise of its rights to repossess the items listed, shall not be the responsibility or liability of Company.
7. The customer shall supply clear and immediate access to the working area and supply electric current for the use of tools. No furnishings, building materials, etc, shall obstruct the work area in the garage.
8. Company is not responsible for irregular or out of level floors. Steel doors with standard rubber weather-strip may not seal properly, thereby leaving air gaps.
9. This contract shall not be assignable without the written consent of Company.
10. The only warranties and guarantees made in connection with this contract are those contained in this agreement and no other warranty whatsoever expressed or implied, is applicable.
11. If any check sent to us in partial or full payment of your Account, is for any reason returned to us unpaid by your bank, we have the right to charge you a Processing Fee of \$25.00.
